NISAU UK ADVISORY

10 September 2019

We can confirm receipt of the news that the 2-year Post Study Work VISA will be reinstated in the U.K.

This is fantastic news and a result of immense hard work from a number of stakeholders within the Higher Education community.

Indian Students are advised to await further announcements regarding details. It is likely that from 2021, international students who enroll in undergraduate, postgraduate or PhD courses in the UK will be able to stay in the country for two years after they graduate. However, we await confirmation of details.
